Strategic Advice From Experienced Industry Professionals

Employing an in-house Chief Technology Officer is often cost-prohibitive for small, and medium sized organisations. Community Business Connect has created an offering which helps reduce this cost burden by offering greater flexibility and affordable hourly rates.

Our skilled CTO's can assist your organisation in managing any aspect of your technological needs, including;

- IT strategy planning and budgeting
- Independent review of proposals
- Hardware & software procurement
- Disaster recovery and risk mitigation
- Cybersecurity management
- Guidance on and directly managing technology changes across the business
- Keeping abreast of market changes and emerging trends
- And much more!

Community Focused

We can accommodate businesses of any size and sector and rates can be tailored accordingly. Our goal is simply to ensure your organisation receives the support required to foster continued growth and success. Whether it's a single meeting or ongoing support, we're here to help, and we'll do whatever we can to assist you in reaching your goals.

Contact us today on 1300 844 420 or enquiries@cbconnect.com.au to discuss where your business is headed, what challenges you're facing, and we'll help get you on the right path.
